The glorious first part of the summer has resulted in busy weeks and very full weekends. However, we appreciate that people are still looking for good value even in the peak of the season. With this in mind we have tailored some offers that we hope will entice you to return to Browns.

This is the first full year that we have offered dinner bed and breakfast to our guests. It has been a great success with positive recognition of the significant discount to their stay that DBB represents.

We will continue to offer it throughout the year, amending it as and when we get good ideas and feedback from our guests.

## Dinner at Browns

Dinner at Browns is carefully prepared using the best of local and seasonal ingredients.

Our fresh fish comes from Mark Lobb, Brixham's only sole trader fish merchant. Mark is at the market everyday making sure you get the best local fish possible.

Our meat is sourced from farms in the South Hams and usually from Jilly Rowden's farm on the outskirts of Dartmouth. Jilly also owns the local fruit and veg store where we buy local vegetables like kale, beetroot, potatoes and broccoli.

Dartmouth is by the sea! If you have a particular favourite fish we might be able to get it. There might be a small supplement but we guarantee that it will still be great value. What about line caught Sea Bass, a whole cock crab, turbot, or a really large John Dory! Mark Lobb is at Brixham fish market every day and really will go get you that fish!

## Up Coming Dates

There is always high demand for the big weekends of the year with people often leaving it too late to book. Why not get organised, plan ahead and enjoy some of the most enjoyable weekends in Dartmouth's calendar. We do not charge a premium for these weekends but they are offered either as three day or four day bookings.

**Regatta, August** 25th, 26th, 27th, 28th, **Full**

**Food Festival, October** 22nd, 23rd, 24th **(foody heaven!)**

**New Year December** 30th, 31st, Jan 1st

The Dartmouth October half term Food Festival gets better and better. Have a look at their website, call some friends and make a long weekend out of it! [www.dartmouthfoodfestival.com](http://www.dartmouthfoodfestival.com).

We think that the best three days would be Thursday, Friday, Saturday leaving in the afternoon of Sunday. You will not be disappointed at the range of things to do and see.

As founders of the Dartmouth Food Festival Browns always has a full programme of events during the day and in the evening.
